Smart Center Guidelines

Please review the following Smart Center guidelines and sign that you understand and will abide by them. Applications will not be accepted without signed guidelines. Thank you!

- The Smart Center is a resource for students to benefit from extra help in studying and completing assignments. Anyone in the Smart Center who becomes a distraction to others will be asked to leave.
- Unless a student is seeing a teacher, he/she should come straight to the Smart Center after school. If a student is seeing a teacher, he/she must get a signed pass, with the date and time, when finished and then come straight to the Smart Center. Students are not permitted to go anywhere else before coming to Smart Center. Students who come late without a note will not be allowed to stay in Smart Center. Any location other than a teacher's classroom, the Smart Center, or the student pick-up area is off limits. Students in off-limits areas will receive a referral.
- Cell phone use is not allowed in Smart Center. Cell phone use without permission will result in the phone being confiscated and turned over to GTCHS administration. Parents who need to contact students may call the Smart Center at **864-672-3798**.
- To ensure the safety of students, we request that parents call the Smart Center at **864-672-3798** when they arrive to pick up students. Students are not allowed to leave the Smart Center until their rides have arrived. Students who are driving must leave campus immediately after leaving the Smart Center.
- Smart Center students are to be in GTCHS dress code at all times.
- Laptop computers are for academic use only. Students may sign out computers to complete assignments or testing practice. Students using laptops must sit in the designated area.
- No food or drink is allowed while using the laptops.
- Students who do not abide by these guidelines will not be allowed to attend Smart Center.

I have read and will abide by the Smart Center guidelines.
